- Industrial Installations
- Gas Distribution Networks
- Gas Networks and Domestic Services
- Requalification of Gas Cylinders
- LNG Satellite Plants
- Gas Cylinder Filling and Distribution
- LNG Bunkering

## Fuelling Stations - CNG and LNG

Solutions for the supply of natural gas to vehicles (CNG - Compressed Natural Gas and LNG - Liquefied Natural Gas) for public use or for the supply of private fleets. ■

## LNG Satellite Plants

Storage infrastructures and LNG regasification, for natural gas supply in regions that are not covered by the pipeline network. ■

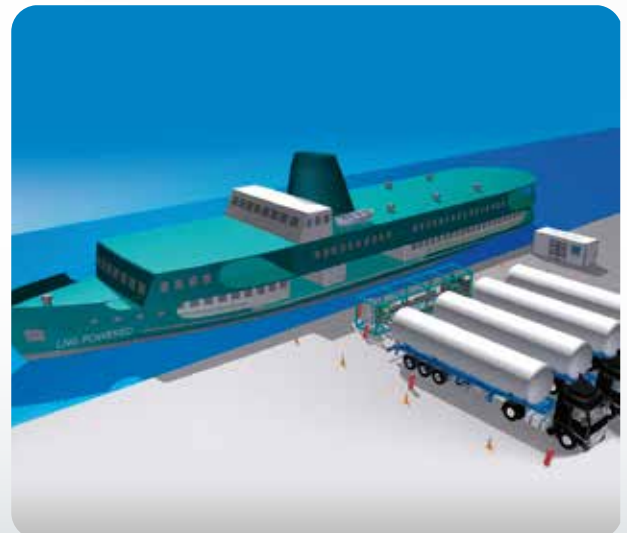

## Industrial Installations

Infrastructures for the use of gas in manufacturing units, including regulation and measurement stations, piping and equipment connection. ■

## LNG Bunkering

Solutions for the supply of ships that use LNG as fuel. ■

## Gas Distribution Networks

Underground networks for transport and distribution of gas in the various pressure ranges. ■

## Requalification of Gas Cylinders

Equipment for the reconditioning of gas cylinders, testing, certification and replacement in service. ■

Metrology / Calibration Services in Mozambique. Representation of equipment brands including FLUKE CALIBRATION, ISA TEST and BAKER HUGHES - GE (General Electric). ■

## Gas Networks and Domestic Services

Gas installations in new and existing buildings in the residential and tertiary markets. Technical and commercial support services to gas distributors. ■

## Gas Cylinder Filling and Distribution

LPG storage units, cylinder filling stations, palletizing systems.

New Operator / Gas Brand (LPG) cylinders in the Angolan market, with own storage facilities and own cylinder filling station. ■

**PRF wishes all its clients, friends and partners, happy holidays.**

May this Christmas season be full of light and happiness! May 2018 bring you personal and professional success.

We wish you a Merry Christmas and a Happy New Year!

*Happy Holidays*
